

*If my people who are called by my name humble themselves, and pray and seek my face **and turn from their wicked ways**, then I will hear from heaven and will forgive their sin and heal their land. 2 Chron. 7:14*

The National Day of Repentance and Solemn Assemblies Nov. 30 - Dec. 2, 2021 Broadcast Schedule

On Wednesday, December 1, 2021, The Supreme Court will be hearing the Oral Argument in the Mississippi Ban on Late Term Abortion Case, *Dobbs*. The law will ban late term abortions after 15-weeks. This is the best opportunity since 1992 to see the reversal of *Roe v. Wade* and end legalized abortion in our country. We believe we should come together to pray the day before, the day of, and the day after Oral Argument. The final decision on this case will probably be announced by the Supreme Court in June 2022, so we must continue to pray even after this three-day event.
